

Wanted

We need your help. This is an appeal to those of you with heritage and honor. Mississippi does not have a monument at Shiloh National Battlefield to honor all the brave soldiers who fought and died their. The Mississippi Legislature just passed a bill saying they will match up to \$250,000 of what we raise. There is over \$30,000 that has been raised so far for this project.

The State of Tennessee put up a monument at Shiloh in 2005 at a cost of \$250,000. We need to put up a monument just as nice.

The Col. W. P. Rogers SCV Camp #321 in Corinth, MS. along with the Mississippi Division Sons of Confederate Veterans needs your help in getting this project accomplished. Don't forget every dollar you give becomes two dollars toward the erection of a monument to all the brave soldiers from Mississippi who fought at the Battle of Shiloh.

Make all checks payable to Mississippi Monument at Shiloh Fund.
Mail all donations to,
Buddy Ellis
